This is a very laid back older resort. Most will drop their clubs Monday and take them back after Friday's round. The course is directly across the street from the rooms.

Some interesting games are being planned and winners can make some moola as well as the recognition. What we're going to have is fun. All will be revealed at the Welcome Reception Sunday evening.

For those who knock playing the same course 4 times remember The Masters is played on the same course year after year. So we're calling this Winter Fling **The MISGA Masters of Crystal River**.
