moola as well as the recognition. What we're going to have is fun. All

For those who knock playing the same course 4 times remember The  
Masters is played on the same course year after year.

## Participate by Chip and Putt. WINTER FLING 2024

Think you have aged out? Don't think you can handle full golf anymore? What if all you had to or able to do is Chip and Putt. Want the camaraderie that comes with getting out on the course with friends but it's too much of a physical effort.

How about skipping the drive and second shots and more just to get to the green and your game is to chip from the most desired approach shot of your teammates that is within 10 yards (approx.) of the green and no traps. Your Par on each hole would be a 3. That's a chip and 2 putts. Birdie would be Chip and 1 putt, etc

On closest to the pin holes the Chip will be from behind a bunker. If chip into said bunker, then make second chip from outside bunker without having to go over bunker. Free drop, hitting 2.

Handicap calculations based on 20% players HC or ability. Strokes used any hole prior to playing that hole. 0-10 gets 2, 11-16 gets 3, 17-21 gets 4, 22-26 gets 5, 27+ gets 6.

Chip and 2 putt is par (scorecard read 3 on Par 3, 4 on P4, 5 on P5)

Chip and 1 putt is birdie Scorecard= 2 on P3, 3 on P4, 4 on P5.

Chip in is Eagle. Scorecard= 1 on P3, 2 on P4, 3 on P5.

Max score 5= double bogey. Card 5 on P3, 6 on P4, 7 on P5.

scoring with a HC stroke= 3/net2 is bird. Par 3 list as 2, P4 list as 3, P5 list as 4.

What if, a player started out playing full golf and found out was unable to continue the multi day golf outing but might want the option to be a C & P player.

We allow players to change tees prior to any round utilizing HC chart that is precalculated. Men **GOLD**, Red or Silver. Women **RED**, Green or Gold. Or **C&P**.

Two requests to go C&P in same foursome requires repairing. There will be a designated blind to cover, if deemed necessary by competition committee.

**NO ONE CHOSE THIS OPTION IN 2023. We retain the option for 2024.**
