

MISGA CHAMPIONSHIP TOURNAMENT GUIDELINES

(BoD approved - Dec. 7, 2010)

(Revision #6- December 17, 2016)

I - MISSION & OBJECTIVE

One of the major activities of MISGA is sponsoring the two annual Championship Tournaments - the *Past Presidents (ABCD)* and the *2-Man Team*. The purpose of these two tournaments is to provide MISGA Associates with an opportunity to compete against each other in a MISGA-wide tournament to determine the top *individual* and *2-man team* golfers of the year.

The MISGA Tournament Chairman (*MTC*) will select the highest quality clubs available (*course, club house & amenities*) that are located within a reasonable driving distance from the Chesapeake Bay Bridge to host the two championship tournaments. One tournament should be on the Eastern Shore and one on the Western Shore. Host clubs must comply with the established administrative and logistical criteria listed in Section IX.

II - FORMATS

A. Past Presidents (ABCD) - 18 hole - individual stroke play - gross & net

A maximum field of 100 competitors will be divided into four flights of A-B-C-D handicapped players - lowest in "A" to highest in "D" (*approximately 25% in each flight*). "A" players will compete against "A" players, "B" players against "B" players, "C" players against "C" players and "Ds" against "Ds." The **Gross** and **Net Grand Champions** can come from any of the four flights.

B. 2-Man Team - 18 hole - team stroke play - gross & net best ball

A maximum field of 50 teams will not be divided into flights. Each 2-Man Team will be competing against all the other 2-Man Teams.

III - ELIGIBILITY

A. Basic

Both tournaments are open to all MISGA associates in good standing. All finalists must qualify through their Division's selection process. All finalists must have an established valid USGA handicap computed and maintained at the finalist's home club.

B. Supplemental

1. The current MISGA President and all Past Presidents are eligible to compete in the *Past Presidents (ABCD)* tournament. They will not be required to qualify, but they will be required to pay the entry fee.

2. The **Gross** and **Net Grand Champions** of the previous year's *Past Presidents (ABCD)* and *2-Man Team* tournaments are eligible to compete in the current year's championship tournaments. They will not be required to qualify, but they will be required to pay the entry fee.

3. Teammates in the *2-Man Team* tournament must be members of the same club.

4. The MISGA Tournament Chairman and/or the Tournament Committee may declare an entrant ineligible for violation of USGA rules and established MISGA policies and guidelines. Appeals must be submitted to the MISGA Tournament Chairman for adjudication.

5. Failure of an entrant to post his previous year's MISGA Championship Tournament scores or his current year's Division Qualifier tournament scores could result in his being declared ineligible to participate in the current year's Championship Tournaments.

IV - TEE PLACEMENT MARKERS

A. Men - The host club's customary *Senior Tee Marker*. Generally, this is the forward marker, ranging from approximately 5,300 - 5,800 yards.

B. Women - In accordance with USGA rules governing women competing with men, women finalists will be allowed the option of playing from the ladies' front tees or the seniors' forward tees with the appropriate handicap allocation adjustment. *Refer to Appendix 1 on page 10.*

C. Divisional qualifier tournaments should follow the above tee placement marker guidelines.

V - HANDICAP ALLOCATIONS

A. In accordance with Section 3-4 of *The USGA Handicap System* manual, the maximum *Handicap Index* is 36.4 for men and 40.4 for women.

B. Past Presidents (ABCD) - 100%

C. 2-Man Team

1. 90% of each partner's *course handicap*. Women will receive 95%.

2. There will be an additional 10% reduction to each partner's *course handicap* if the partners' *course handicaps* differ by more than 8 strokes.

D. The official handicap index to be used for finalists in the two MISGA Championship Tournaments, will be the handicap index closest and most practical to the date of the championship tournament. The official MCT *Tournament Committee* will determine the closest and most practical date.

E. In accordance with Section 9-2b of *The USGA Handicap System* manual, the MCT Tournament Committee may modify the course handicap of individuals or 2-man teams who have shot *exceptional scores* (Section 10-1 & 3) in a number of the MISGA Championship Tournaments.

F. Individuals or 2-man teams who have won a **Net Grand Champion** title in two successive annual MISGA Championship Tournaments (*Past Presidents {ABCD}* and/or *2-Man Team*) will incur a 20% reduction in their course handicap when they compete in their third successive MISGA Championship Tournament. A 3rd consecutive win will result in a 30% reduction in course handicap; a 4th consecutive win will result in a 40% reduction, etc. This guide is consistent with and complies with: USGA Rules - Section 33-1, *The USGA Handicap System* manual - Section 9-2b and Maryland State Golf Association (MSGGA) published policy.

G. On occasion, there may be creditable evidence to indicate that an associate has achieved extraordinary and exceptional performance at MCTs. Such performance may create MISGA-wide concern over the validity and authenticity of his *Course Handicap* (i.e., higher than his true playing ability). In such cases, the MCT Tournament Committee may determine the associate's MCT Course Handicap by application of Section 3-3 and Section 10 of the *USGA Handicap System* manual.

H. Most MISGA clubs compute and maintain their members' handicap indices on a "posting station" computer in the Pro Shop. Generally, posted scores are immediately transmitted to *Golfnet.com* and *Msganetwork.org*. The *Handicap Verification* section of these two websites is an excellent source for obtaining and verifying individual and group handicap indices.

VI - PRIZES

A. Prize Pool Distribution

1. A 50/50 split of the prize pool will be awarded to the **Gross** and **Net** winners.
2. All winners will receive a Pro Shop Gift Certificate.
3. In addition, the **Gross** and **Net Grand Champions** will receive a high quality engraved trophy (*cost paid by MISGA*).

B. Number of Winners (*for a full-field = 100 individuals & 50 teams*)

1. **Past President (ABCD)** - 26 total individuals (*the Gross and Net Grand Champions plus 3 gross and 3 net individual winners in each flight = 26%*)
2. **2-Man Team** - 16 total teams (*the Gross and Net Grand Champions plus 7 gross teams and 7 net teams = 32%*)

C. **Special Event Contests** - Winners of the *Closest-to-the-Pin* and *Closest-to-the-line* contests - a box of golf balls (*12-pack*) or an equal share of cash from an established entry fee prize pool.

VII - DIVISION QUOTAS

A. At the beginning of each year, the MISGA Tournament Chairman will determine the number of finalists each Division may enter in the two MISGA Championship Tournaments. Division quotas will be based on the percentage of Associates each Division represents of the total MISGA membership as reported in the *MISGA Associates Report of Dues Paid* from December of the previous year.

B. Each MISGA Division may determine the method it wishes to use for selecting their finalists for the two MISGA Championship Tournaments. Recommended methods of selection are a qualifying tournament, first to pay entry fee, a lottery, a quota from each club, etc. If a qualifying tournament is used, the instructions contained in this document should be followed where applicable.

C. Unfilled Quotas

1. If a Division submits an *Entry Form* with a fewer number of entrants than its quota, the host Club Tournament Coordinator will select qualified alternates from other Divisions.

2. First, select a qualified alternate from the Division with the most Associates, then select a qualified alternate from the Division with the second most Associates, then the Division with the third most Associates, etc. until the tournament field is filled. A second or third round of selections may be required.

3. If there are still unfilled slots in the tournament field, the host Club Tournament Coordinator may select any MISGA Associate, in good standing, from any MISGA club. The Associate will pay all fees and will be eligible for all prizes.

4. If the tournament field still remains unfilled (*100 individuals or 50 2-man teams*), the tournament will be played with less than a full field.

5. Divisional qualifying tournaments should follow this selection procedure.

D. Drop-Outs & Declared Ineligibles

1. It will be the responsibility of the Division Tournament Chairman of the Division incurring the drop-out or the declared ineligible player to provide, if possible, a substitute finalist. However, a substitute for a 2-Man Team teammate who has dropped out or has been declared ineligible is prohibited. The remaining teammate may participate by himself or a substitute team must be selected. Exceptions to this rule (*because of emergency situations such as illness, injury, death, etc.*) may be granted upon formal appeal to the MISGA Tournament Chairman.

2. Alternates listed on the Division's *Entry Form* will provide the primary source of substitutes.

3. If the Division Tournament Chairman is unable to provide a substitute, the host MISGA Tournament Coordinator (*Club Rep or his designate*) should follow steps 2-4 in Section IV, C above to locate and select a qualified substitute.

VIII - TOURNAMENT COMMITTEE

- A. Members of the *Tournament Committee* for each of the two Championship Tournaments will include the host Division Director (*Committee Chairman*), the host Division Tournament Chairman, the host Club Rep, the host Club Head Pro and such other individuals as may be appointed by the Division Director.
- B. The *Tournament Committee* will be responsible for establishing the conditions of competition; assuring adherence to USGA, MISGA and local rules of golf; assuring fairness of play and good sportsmanship; interpreting USGA, MISGA and local rules of play; answering technical questions; mediating disputes and resolving other issues and problems as they may occur.
- C. The *Tournament Coordinator* will serve as the lead person and point-of-contact for all tournament related activities and operations. This assignment is normally performed by the host Club Rep; however, the Division Director, Division Tournament Chairman or another designated person may assume "command." The MISGA Tournament Chairman will assist as needed.
- D. It is strongly encouraged that Divisions establish similar *Tournament Committees* for their Divisional Qualifier tournaments. The MTC will assist as needed.

IX - ADMINISTRATION & LOGISTICS

A. Promotional Materials

1. **Flyers** - As early as possible in the golfing season, the MISGA Tournament Chairman (MTC) will prepare an information **flyer** for each of the two MISGA Championship Tournaments. Each **flyer** will include all relevant information associated with each tournament and instructions to the Division Tournament Chairmen for submitting Division *Entry Forms* and *Entry Fee checks* to the host Club Tournament Coordinator (*Club Rep or his designate*). The two **flyers** will be posted on the MISGA website.

2. **Posters** - In early June, the Division Tournament Chairmen (DTC) will prepare an information **poster** for each of the two Division Qualifier Tournaments. Each **poster** will include all relevant information needed by Associates for registering and participating in the two Divisional Qualifier Tournaments. Each **poster** will be made available to all Divisional Club Reps for posting on their MISGA bulletin boards.

B. Entry Fees

1. As early as possible in the golfing season (*not later than May 15*), the host Club Tournament Coordinator and the host Club of the two Championship Tournaments should determine the amount of the *Entry Fee*. Cost items will include: prize pool (*\$10 per finalist*), cart fee, range balls, light lunch, cash bar cocktail hour with light hors d'oeuvres, awards banquet, and other incidentals as needed. The amount of the *Entry Fee* should be as low as feasibly possible, high enough to provide an enjoyable tournament experience, but not too high to discourage participation. Any additional cost for cart rentals may not be added to the *Entry Fee*.

2. As soon as the amount of the *Entry Fee*, submission *Due Date* and *Cancellation Deadline* (*generally, 2-weeks prior to the date of the tournament*) have been established, the Tournament Coordinator must inform the MISGA Tournament Chairman. In turn, the MISGA Tournament Chairman will include the amount of the *Entry Fee*, submission *Due Date* and *Cancellation Deadline* on each Championship Tournament *flyer*.

3. Refunds

a. Except for emergency situations (*illness, injury, death, etc.*), requests for *Entry Fee* refunds after the *Cancellation Deadline* will NOT be granted.

b. Finalists who do not return for play on the established "rain date" will NOT be granted a refund. As the "rain date" is known for many weeks in advance, scheduling conflicts are not considered valid justification.

c. Appeals must be submitted to the host *Tournament Committee* for adjudication.

C. Tournament Documents

1. **Entry Form** - The MISGA Tournament Chairman will develop a standardized *Entry Form* for each of the two Championship Tournaments. The *Entry Forms* will be used by Division Tournament Chairmen for submitting the names (*including home club and handicap index*) of his Division's Championship Tournament finalists and alternates. Copies of the standardized *Entry Forms* will be made available to Division Tournament Chairmen in early Spring. They will not be posted on the MISGA website.

2. **Rules of Play** - A *Rules of Play* sheet will be prepared and placed on every golf cart prior to play. The rules sheet will include basic instructions and information relevant to the Championship Tournament (*"USGA rules apply at all times," disputes, tee placement, handicap allowance, local rules, use of cart paths, moving the ball, "gimmes", playing from hazards, score keeping, pace of play, tie-breaking procedure, marking balls for identification, etc.*). The MISGA Tournament Chairman will provide a model *Rules of Play* sheet for each Tournament.

3. Tournament / Event Financial Report (T/E Report) - As soon as possible after the conclusion of a Championship Tournament (*not later than 120 days*), the host Tournament Coordinator (*Club Rep or his designate*) must complete and submit a copy of the *T/E Report* with all supporting documentation (*vouchers, invoices, receipts, deposit slips, cancelled checks, bank statements, etc.*) to the MISGA Auditor. Detailed guidance for completing and submitting the *T/E Report* is contained in the ***Handbook for MISGA Club Representatives*** under the section *Fiscal Conduct of MISGA Golf Tournaments & Special Events*. The guidance and a blank copy of the *T/E Report Form* are available on the MISGA website.

D. Golf Carts

The club hosting a Championship Tournament will be responsible for providing golf carts for all finalists (*2 finalists per golf cart - a full field = 50 carts*). A less than full field would require fewer golf carts. There should be 1-2 extra golf carts available for use by members of the Tournament Committee. If the host club has fewer than 50 carts, the club may: (1) limit the field to the number of available carts, or (2) rent additional carts to meet the full field number. MISGA will **NOT** provide financial assistance to the host club if it requires rental golf carts.

E. Volunteers

The host Club Tournament Coordinator (*Club Rep or his designate*) should recruit volunteers from the host Club's MISGA Associates to perform a variety of duties and tasks (*greeters, assist with registration, **serve as ball spotters {who substantially aid the speed of play}**, assist with scoring, etc.*). Volunteers will ensure a more efficient and effectively operated tournament and reduce the burden placed on the Club Pro and his staff and the host Club Tournament Coordinator. Approximately 15 - 20 volunteers may be required. Volunteers should be provided with the *light lunch*.

F. Practice Rounds

Host clubs have the option of permitting or not permitting "practice rounds" for qualified tournament finalists prior to the official date of the Championship Tournament. Regular scheduled pre-tournament MISGA mixers are an excellent opportunity for "practice rounds." Finalists should contact the Tournament Coordinator for instructions. The official MISGA tournament *flyer* will indicate whether or not "practice rounds" are permitted.

G. Food & Beverages

1. Meals - As registration will begin in mid-morning and a *light lunch* will be served prior to tee time, it will not be necessary to provide "coffee & donuts." The *light lunch* should be either: (1) a brown bag or box lunch (*e.g., 2 sandwich halves, small bag of chips, apple or cookie*), (2) a cold cuts sandwich buffet or (3) a grilled hamburgers & hotdogs - with a cold drink. The *awards banquet* should be a plated double entrée sit down dinner (*filet mignon with lobster tail, crab cake or shrimp*).

2. **Beverages** - A variety of chilled drinks (*sodas, lemonade, iced tea, Gatorade, bottled water, beer, etc.*) should be made available (*for cash*) at a snack bar near the staging area. A beverage cart with chilled drinks (*for cash*) should make rounds during play. A post-golf, cash bar *cocktail hour* with light hors d'oeuvres should be provided prior to the *awards banquet*. A cash bar should be available during the *awards banquet*.

H. Tournament Scoring

1. **Scorecards** - The host Head Pro will determine the type of scorecard(s) to be used and method of marking scorecards during the tournament. Each scorecard must be totaled, reconciled, attested and signed prior to being turned in at the Scorer's Table.

2. **Scoreboard** - The scoreboard may be located outside at the Pro Shop scoring station or inside the Club House on a wall in the banquet room. Normally, the Head Pro and his assistants will perform the score posting duties. If requested by the Head Pro, non-playing Tournament Committee members and official volunteers may assist with the score posting tasks.

I. Tie Breaking Procedure

1. The tournament **Gross** and **Net Grand Champions** will be determined by a sudden-death playoff.

2. All other **Gross** and **Net places** will be determined by one of the following two options as selected and pre-announced by the *Tournament Committee*.

a. **Match-of-Cards** -- The initial tie-breaker will be the best score attained for the last nine holes (10-18), then the last six holes (13-18), then the last three holes (16-18), and finally the 18th hole. Should a tie still exist, the match will be a hole-by-hole match beginning with the #1 handicap hole and proceeding to the #2 handicap hole and so on until the tie is broken.

b. **The PGA procedure** -- All tied places will be awarded an equal share of the sum of the prize pool for those places.

J. Tournament Interruptions

1. The host club for each of the two Championship Tournaments must provide for a "rain date" in case of unforeseen circumstances that could cause play to be interrupted or suspended (*rain, lightening, high winds, earthquake, fires, flooding, air raids, etc.*). The recommended "rain date" should be the following week on the day of the official established date of the tournament (*e.g., official date - Monday, August 24; rain date - Monday, August 31*).

2. If on the day before the Championship Tournament is scheduled, forecasts indicate a high probability of unplayable inclement weather, the Tournament Committee should consider postponing the Tournament and rescheduling it on the established "rain date." The host club Tournament Coordinator should notify all six Division Tournament Chairmen (*also the Division Directors and Assistant Directors*) of the postponement, who will, in-turn, notify the Club Reps, who will notify their finalists.

3. If the "official" scheduled Championship Tournament is interrupted and resumption of play is impossible, the Tournament Committee will declare the Tournament official for determining winners and awarding prizes by application of the **Score vs. Par** procedure. A minimum of 9 holes must be completed by all finalists.

a. Each finalist will match his **Gross** score and his **Net** score against his **Par** score for his specified number of credited holes. *For a sample scorecard, refer to Appendix 2 on Pages 10 & 11.*

b. All finalists will be ranked in ascending order. The finalist with the fewest Gross strokes compared to his Par score will be declared the **Gross Grand Champion**.

c. The finalist with the fewest Net strokes compared to his Par score will be the **Net Grand Champion**.

Note: The term "finalist" and "his" apply to individuals and 2-Man Teams alike.

4. If the postponed Tournament cannot be certified as completed on the official "rain date," the Tournament Committee will declare the Tournament null and void. All prize money and other "refundable amounts" of the *Entry Fee* shall be refunded to the players. The amount of the "refundable amounts" is negotiable between the Tournament Coordinator and the host Club.

K. Posting Scores

1. The host *Tournament Committee* may declare a player ineligible to participate in the current year's Championship Tournaments if, within a practical period of time (*normally two weeks*), the player has failed to post either his current year's Divisional Qualifier score or his previous year's Championship Tournament scores. Appeals must be submitted to the MISGA Tournament Chairman for adjudication.

2. The MISGA Rules & Handicap Chairman may monitor the posting of scores by Championship Tournament participants (*entrants, qualifiers, finishers*) to assure they have complied with USGA and MISGA score posting policies and guidelines. The R&H Chairman will inform the appropriate *Tournament Committee* of instances of non-compliance. The *Tournament Committee*, in consultation with the R&H Chairman, will determine whether or not the non-compliant participant should be declared ineligible. If a participant is declared ineligible he may file an appeal to the MISGA Tournament Chairman for adjudication. Other prescribed penalties are the jurisdiction of the participant's home club Handicap Committee.

APPENDIX

1. *The USGA Handicap System Manual - Women Competing Against Men*

a. Different Tees

Section 9-3, c. (i) of the *Manual* states - Different tees usually have different ratings. Since a USGA Course Rating reflects the probable scores of scratch golfers, the higher-rated course is more difficult, and the player playing from the set of tees with the higher USGA Course Rating receives additional stroke(s) equal to the difference between each USGA Course Rating, with the resulting figure rounded off to the nearest whole number (.5 or more is rounded upward).

Example 2 of the *Manual* states - If women playing from the forward tees, from which the women's USGA Course Rating is 73.4, compete against men playing from the middle tees, from which the men's USGA Course Rating is 70.9, the women will add three strokes ($73.4 - 70.9 = 2.5$ rounded to 3) to Course Handicap.

b. Same Tees

Section 9-3, c (ii) of the *Manual* states - Men and women playing from the same set of tees will have different Ratings. Since the women's USGA Course Rating usually will be higher, women receive additional strokes equal to the difference between men's and women's USGA Course Rating, with the resulting figure to the nearest whole number (.5 or more is rounded upward).

The *Example* provided by the *Manual* states - If women playing from the middle tees, from which the women's USGA Course Rating is 77.3, compete against men playing from the same tees, from which the men's USGA Course Rating is 70.9, the women will add six strokes ($77.3 - 70.9 = 6.4$ or 6) to Course Handicap.
