SPRING 1986

## THE PRESIDENT'S MESSAGE

Hello friends - I hope you have enjoyed good health over the winter and are now ready for another great year of golf through our wonderful MISGA organization. Our unique program allows us to play a variety of golf courses, on a friendly mixed team basis, and then enjoy a social lunch together. All of this at a most reasonable rate - what a bargain!

First I would like to thank all Associates for your support during the past year and encourage your participation again this year in a very meaningful way by volunteering to help. It takes many hands to run a successful program and your help will be truly appreciated.

MISGA continues to grow and we now have 3093 members on our rolls. We have recently added a new member club, the Bowie Golf and Country Club, to whom we say "welcome".

Each division has now held meetings and mixer schedules have been established for the coming season. The Foxfire event was well attended, with 342 participants. While the weather was spotty everyone had a good time. The Winter Fling in Fort Myers, Florida, had a full field and it, too, was most successful. The Spring Fling will again be held at Green Hill and Nassawango, on May 8 and 9, and another sell-out is anticipated. We are grateful to our Eastern Shore friends for hosting this event. The trip to Scotland is scheduled for May 22 to June 1. A very few openings are still available at this time. Any inquiries about this trip may be directed to Sam Hastings at 598-6171. Our MISGA State Championship will be held on Friday, September 12 at Tantallon Golf and Country Club.

Our membership records are now up to date and are stored with Specialty Association Services of Sandy Spring, Maryland. Dick Quinn, our Associates Chairman, has sent a printout copy of each club's roster to the Club Reps, and also a supply of membership cards for this year.

Copies of our MISGA History were mailed to all Associates. In addition, a copy was sent to each Club pro and a further mailing was sent to each Club Manager or Club President with a covering letter over my signature. Further distribution will be made to all new Associates and to other individuals as determined by our Policy and Planning Committee.

That's all for now, folks. Let's tee up and enjoy another season of fun in the sun. Fore!

Gil Williams  
President

## THE 1986 SPRING FLING

Once again, Green Hill Yacht and Country Club, in Salisbury, and Nassawango Country Club, in Snow Hill, will host the annual MISGA Spring Fling on May 8th and 9th. Men's tee-off times are 11 A.M. on Thursday and 9 A.M. on Friday. Ladies in the 18-hole group will play at Ocean Pines, while those in the 9-hole group will play at the Elks Club. Tee times will be the same as for the men. Buses will provide transportation to Ocean Pines and the Elks Club both days. The Tournament Committee has again arranged an outstanding program of activities for the non-golfing ladies, including a cruise on the Chesapeake Bay.

MISGA is deeply grateful to Co-Chairmen Bill Ransdell and Jim Cabler and to the members of their committees for once again undertaking the difficult and time-consuming task of arranging for a tournament of this magnitude. Our thanks are also extended to host pros Willis Johnson at Green Hill and Charles Houts at Nassawango for their invaluable assistance, and to the members of both clubs for their kindness in making their excellent facilities available to us.

## PLANS FOR OUT-OF-STATE EVENTS

In response to the tremendous interest in MISGA's out-of-season events last year at Foxfire and Ft. Myers, the Board of Directors is considering an even more extensive schedule of activities for 1986-1987. Tentative plans call for as many as four sessions at Foxfire, and consideration is also being given to arranging for two sessions at Jekyll Island, all in late October and November. A return to the Ft. Myers area, probably in March, is also being planned.

Details concerning these events will be made available to all MISGA Associates as soon as plans are finalized, possibly in the next issue of the MISGAgram.

FT. MYERS WINTER BASH

During the last week of February, 55 MISGA golfers and 25 lady golfers, along with 25 non-golfing ladies, enjoyed a winter vacation at Ft. Myers, Florida. Twenty golfers played at four different courses each day and everyone had a most enjoyable time.

The games played were:

Individual Handicap: Long Mean Course at Fiddlesticks  
Man/Lady in the Box: Wee Friendly Course at Fiddlesticks  
Two Best Balls of Foursome: Alden Pines Country Club  
Mixed Scramble: Vintage Country Club (An excellent new course)

Arrangements were made by President Emeritus Al Hagen, who again excelled with outstanding courses, good directions, fine recommendations for dining, and a superb banquet at Whiskey Creek Country Club, where he is a member.

Since only five foursomes could be accommodated at any one of the courses on a given day, each of the events had to extend over a four-day period.

Results were as follows:

Individual Handicap: Fiddlesticks Long Mean

Low Gross - Men: Gil Williams, U. of Md., 80; Rex Nelson, Tantallon, 86; Lee McCarriar, Hobbits Glen, and George Kohut, Montgomery Village, 88; George Wilson, Montgomery Village, 94.

FOXFIRE '85

Last Fall three enthusiastic groups of MISGA golfers and their wives visited Foxfire for five days of golf, fun, and relaxation. The first group was there from Oct. 28 thru Nov. 1, the second from Nov. 4 through Nov. 8, and the third from Nov. 11 thru Nov. 15. The weather was generally good for all three sessions, but the best weather of all was enjoyed by the last group.

Once again, the food, the golf courses, and the accommodations at the Foxfire Inn and Country Club, in Pinehurst, North Carolina, were most satisfactory and were enjoyed by all of the 344 people who were there. Past President Herb Hudson did his usual fine job of handling the organizational details, ably assisted by Tournament Chairman Doug Moats and many others on the various committees. The usual comments, like "This was really great" and "Let's do this again next year" were heard on all sides, and there is a good chance that MISGA will again be going back to Foxfire in the Fall of 1986. If that does occur, it will be for the fifth time in a six-year period.

Because of the large number of events held during the three sessions, lack of space makes it impossible to publish the results in this issue of the MISGAGram.
